#### Magazine bit holder LiftUp 70

- With six 70 mm bits style E6.3
- Also ideal for use with a battery-powered screwdriver
- Particularly simple bit removal
- Bit magazine opens at the press of a button
- Ergonomically designed SoftFinish multi-component handle

#### Magazine bit holder Topra 2K bit

- Ergonomically designed pistol handle
- Finely serrated ratchet with 72 teeth, switchable
- Six 25mm bits in the handle
- 1/4" bit holder, magnetic, removable
- Further adaptors for SYSTEM6, 1/4" and 3/8" sockets available

Finely toothed, switchable ratchet

The **LiftUp 25** magazine bit holder saves space by storing 25mm bits in its handle. At the press of a button, the bit magazine at the handle end comes out and makes the bits available for removal.

But that's not all, the **LiftUp 70** version has space for six professional 70mm bits. Low-lying fastening elements can be reached more easily. "Long" bits also fully play off their advantages even in battery-powered screwdriver use.

Making a particularly powerful entrance – the new **Topra 2K** with six 25mm bits cleverly located in the ergonomic pistol handle. In addition, there is a finely serrated, switchable ratchet with bit holder.

# Wiha magazine bit holder.

Everything in the palm of your hand.

## Magazine bit holder 1/4", magnetic.

### 3809 01-01 Magazine bit holder, magnetic, 1/4".
