

ENGINEER TR-03

Taper reamer; Blade: about 55 HRC; carbon steel

Symbol:

FUT.TR-03

Manufacturer
part number:

TR-03

Manufacturer:

Tools features:

Manufacturer	ENGINEER
Tool type	Taper reamer
Blade hardness	about 55 HRC
Tool material	carbon steel
Reamed hole diameter	5...20mm
Tool length	130mm
Working part length	95mm

- enlarging of hole diameters in metal and plastic elements
- designed for continuous enlarging of hole diameters

Additional information

- Gross weight: 0.15 kg
