

PB 450 Universal bit holder for PrecisionBits C6 1/4", with retaining ring
 Soporte universal para PrecisionBits C6 1/4", con fijación de anillo de retención

1/4"

PB 450 10 57 30 10 7 610733 019588

PB 450 M Universal bit holder for PrecisionBits C6 1/4", with magnet and retaining ring
 Soporte universal para PrecisionBits C6 1/4", con imán y fijación de anillo de retención

1/4" magnetic

PB 450.M 10 75 47 10 7 610733 019571

PB 451 M Universal bit holder for PrecisionBits C6 1/4", with magnet
 Soporte universal para PrecisionBits C6 1/4", con imán

1/4" magnetic

PB 451.M 10 60 25 10 7 610733 016006

PB 460 Safety bit holder for PrecisionBits C6 1/4" - no accidental loosening
 fix and loosen by simply turning the case, change of bits possible with one hand only
 built-in magnet, means it can also be used as an "ordinary" bit holder
 Portabits de seguridad para PrecisionBits C6 1/4"; evita que se suelten las puntas de forma imprevista
 Fijación y desmontaje girando el casquillo, cambio de punta con una sola mano
 el imán integrado permite su utilización como portabits "normal"

1/4" magnetic
