

Dino-Lite MS15X X/Y table

The MS15X is an advanced XY table that can be used independently or in combination with the MS35B or MS36B column stands. The MS15X table base with detachable rotating table is designed for use with a variety of applications that require fine examination in an X- and Y-axis movement. With the 360 degree rotating table, one can easily carry out all kinds of precision examinations. The MS15X can be used stand-alone or attached to the MS35B and MS36B stands (with the included C-Clamps)
