

LARGE MOLLE SHEATH -BLACK

Our MOLLE sheath, pronounced “Molly,” is made of durable ballistic nylon and features a hook-and-loop closure and a snap webbing strap for attachment on the back. MOLLE, which stands for Modular Lightweight Load-carrying Equipment, is used to attach your multipurpose tool to backpacks, load-bearing vests and other gear so you can access your Leatherman on the go.

Internal Capacity: 4.5" x 1.8" x 1".
