

811/1 ESD Stubby bits hand holder, magnetic, 1/4" x 54 mm

ESD Series

EAN:	4013288212382	Size:	65x34x34 mm
Part number:	05008881001	Weight:	47 g
Article number:	811/1 Stubby ESD	Country of origin:	CZ
		Customs tariff number:	82054000

- Short compact shape for working in confined spaces
- Ergonomic 2-component Kraftform handle for precise work
- Hexagonal anti-roll feature against rolling away
- ESD bits hand holder for electrostatically safe working, magnetic
- For 1/4" bits as per DIN ISO 1173-C 6.3

Especially small ESD bit-holding Stubby screwdriver handle with short blade for electrostatically secure working even in hard to reach areas. Suitable for the mounting of bits with 1/4" hexagon drive as per DIN ISO 1173-C 6.3 and Wera connection series 1. With strong permanent magnet, which also holds large and heavy screws. The 2-component Kraftform handle with its practical combination of hard and soft zones allows for a firm grip and precise working. The hexagon anti-roll protection prevents annoying rolling away of bits in the workplace.

ESD Series

Wera ESD Tools

High protection

Compact shape

Tangible ergonomics

The requirements for ESD-safe screwdrivers are specified in the European standard DIN EN 61340-5-1. This standard also includes a handle that has to be out of a defined conductive material. The Wera products in the ESD series satisfy these standards and the even more stringent requirements demanded by some technology companies.

The electric surface resistance of the Wera ESD material is $\leq 10^9$ ohm. This securely protects components against electrostatic energy and associated damage.

With its compact handle shape and the short blade, the Kraftform Stubbies are particularly suitable for working in confined screwdriving situations.

The 2-component Kraftform handle allows high power transmission due to the non-slip, softer grip areas and high working speeds due to the hard grip areas, which allow a quick hand switch.

Non-roll feature

The hexagonal non-roll feature prevents any rolling away at the workplace.
