with 1/2" drive and accessories

EAN	4013288162403	Dimension:	365x135x62 mm
Code:	05133862001	Weight:	1755 g
Article-No.		Country of origin:	CZ
		Customs tariff no.:	82041200

- For loads of at least 600 Newton metres
- Push-through square drive for right/left switchover
- Including hammer function
- Multi-component Kraftform handle optimised to withstand pressure, impact and tensile loads
- Fine-pitched ratchet mechanism, small return angle of 6°

The ratchet that can also be safely and officially used as a hammer. The KOLOSS is a reversible, heavy-duty ratchet that can be used with a load of at least 600 Newton metres. The dual ratchet teeth and the minimum return angle of only 6° ensure rapid and precise screwdriving even in confined situations. And the best thing: absolutely no impact on the hammer faces, however hard, can destroy the ratchet mechanism. Multi-component Kraftform handle optimised to withstand pressure, impact and tensile loads; take-up for KOLOSS extension 8780 C and KOLOSS centring pin 8781 C at end of handle. Also included in the set: 1 pad to protect materials and surface areas, 1 Koloss extension for the transfer of even more torque, 1 unlocking pin and 1 holster - so the Koloss can always be at hand.
