The partitions for the patch and potential distributors provide a visual barrier for separating functional sections.

The printed versions of the partitions make it easy to quickly identify individual terminal points. This simplifies your work when carrying out maintenance or add-ons.

The printed and unprinted partitions are available for the four-level, eight-level and sixteen-level patch distributors and potential distributors.

General ordering data

Type	TW PRV8 A-H
Order No.	1230110000
Version	P-series, Partition plate, Grey, 2 mm, Printed A-H, horizontal
GTIN (EAN)	4050118013900
Qty.	10 pc(s).
