

It's simple, it's convenient, and it's from Weller®

The new BP650 Battery Powered Soldering Iron is the perfect tool for typical light duty around-the-home soldering jobs. Whether it's repairing a connection on a child's toy or fixing the wiring on a boat trailer, the Weller BP650 goes to where the work is with no power cord to worry about.

It's from Weller the most trusted name in soldering products for over fifty years.

- Powerful 4,5 watt / 4,5 volt iron heats to working temperature in under 30 seconds
- 120 solder joints per set of (3) alkaline batteries (AA; 1,5 volts)
- Batteries, lead-free solder, conical 0,4 mm tip and tip removal tool included
- Hundreds of uses....microelectronics, hobbies, small appliances, and more
- Replacement tip available
- Safety cup auto-shut off
- BP650CEU with storage case
