

Product Type

Original tool battery

battery pack

Battery voltage

18 V

Battery capacity

4 Ah

domestic equipments

Charge level indicator

no

Overheating protection

yes

Overvoltage protection

yes

Other features

Battery power

strong

Battery technology

Li-Ion

no memory effect

yes

low self-discharge

yes

suitable for

Bosch GSR series, Bosch GSB series

minute Operating temperature

-20 ° C

Storage time without recharge
(months)

24

Self-discharge per month (in%)

3 - 5

Weight

600 g

Special feature

Optimum storage temperature: 5 to 15
° C

Dimensions (HxWxD)

115 x 74 x 56 mm

Sustainable

energy saving
