

Hazard Warning Cable Protectors

Prominent coloured stripes provide advance warning of a hazard ahead.

No longer necessary to use adhesive safety tape to stick cables to the floor as the hazard warning profiles have cleverly built in 'coloured' stripes along the length of each edge.

For added safety our flexible cable protectors are:-

- Fire tested to BS 476 part 7 class 3
- Halogen free in the event of fire
- Low smoke, non toxic fume Levels
- Tested for non conductivity to BS 903 C5 500V
- UV Stabilised for extended outdoor life
- Latex free ideal for hospitals
- Easily reusable when needed
