GTIN: 4010995406745

Unit: Set

Meets your requirements: A variably settable torque covers a large application area.

Simplifies your work: All tools securely arranged in a robust, orderly bag.

Lowers your costs: The correct torque protects you from warranty claims.

Increases your safety: Wiha slimBits ensure good, protected access to deep-set screws.

Protects your health: With the patented SoftFinish® handle design, ensuring work is kind to hands and muscles. Recommended by doctors and therapists at German Campaign for Healthier Backs.

Increases your efficiency: The correct torque avoids damaging material and no follow-up work is necessary.

Provides you with full protection: Each tool individually tested at 10,000 V AC and approved for 1,000 V AC.

Standards: Manufactured acc. to IEC 60900.DIN EN ISO 6789.

Application: For controlled fastening on live parts up to 1 000 V AC.
