

500103A

Product no.: 500103A

Forming plier for bending flat components, contacts, power transistors, Triac connections to a right angle.

-  Safe bending, forming and preparation of component connections, specially for integrated components and power transistors
-  Non-reflecting surface
-  ESD-safe

Built to Last - Longest lasting durability on the planet

Weller Erem™ Pliers are designed to ensure an accurate and sure grip every time. Manufactured with uncompromising Swiss quality and created for worldwide applications, including electronics assembly and healthcare, Weller Erem Pliers are built to last. Feel the difference with Weller Erem™ – the proven choice. Every time.

BUILT TO LAST

Longest lasting durability on the planet

-  **1 Million Movements**
Magic Spring™ design enables maximum durability with constant spring force movements
-  **Quality**
Uncompromising Swiss quality created to be strong and durable
-  **Precision**
Experience precise bending from the high-precision screw joint that enables a smooth action with no jaw overlap
-  **Comfort, Security and Grip**
Ergonomically-shaped handles provide superior comfort and fatigue-free handling with Maximum Opening Stop Technology
-  **ESD Safe**
Made from ESD-safe material to prevent damage to sensitive components
