

622NBW

Product no.: 622NBW

Side cutter – pointed relieved head, same as 622NB, with optional safety device "wire catcher"

This is the narrowest head shape.

The underside is relieved and facilitates optimum access even to extremely hard-to-reach areas.

Same as 676E

The Perfect Cut - Strong, sharp and precise, every time

The Weller Erem Series 600 Micro is a range of miniature precision cutters that offers a wide variety of head shapes for access in difficult to reach areas. These micro cutters are suitable for SMD and leads (670EP, 670EPF). The cutters are made from high grade tool steel with cutting edges hardened to 63-65HRc. The precision cutters have a nonreflecting surface, are ESD safe and resharpenable.
