Lightweight

Noise-cancelling
microphone

plantronics®

Incredibly lightweight. Clear HD sound.

.Audio™ 622 Digital stereo USB headsets

Extremely lightweight, ready to plug and play, great for on-line calls.

.Audio™ 622

Incredibly lightweight. Clear HD sound. The noise-cancelling microphone and Digital Signal Processing technology reduce echo and background sounds, and boost natural voice frequencies for the clearest and most natural-sounding conversations possible. The headset features digitally equalised 24-bit Hi-Fi stereo audio, meaning you get to enjoy on-line calls, on-line TV, music, games and more in true HD sound.

KEY FEATURES

.Audio 622

- Extremely lightweight and comfortable – quickly slip it on and take it off.

- Digital Signal Processing kills echo and boosts voice signals to deliver dynamic sound quality.

- 24-bit Hi-Fi stereo sound is digitally equalized to give enhanced HD sound for on-line calls, listening to music or watching videos.

- Noise-cancelling microphone works with DSP technology to block low-frequency noise and provide crystal-clear conversations.

- Comfortable foam ear pads and lightweight materials ensure maximum comfort.
