

Charge Cart - 30 Devices - SCHUKO Power

CHGCT30-1E

SKU: CA05072

The V7 Charge Cart allows you to easily secure, store and charge up to 30 Chromebook, laptop, or tablet devices with up to 17" screens. It features an Intelligent charging system, slide-out shelves with flexible, durable device slots, a power supply/cable management system and best of all – it's fully assembled for rapid deployment. Additionally, it features numbered device spaces and corresponding power supply spaces to optimize organization. Made from high-grade 18 gauge cold rolled steel, the Cart also features vented doors with a 3-point key lock mechanism and the option to add your own padlock for extra security.

- Sliding shelves with flexible and durable device dividers allow you to easily store and remove almost any Chromebook, laptop, or tablet
- Efficient intelligent charging system for all of your devices from one plug while protecting circuits from overloading
- Cable management in the front device section and separate rear power section easily organizes power supplies and routes cables to each device
- Both the device section and separate rear power section feature steel doors with 3-point key lock mechanism and the option to add your own padlock for extra security
- 5" high-grade wheels with brakes and direction lock, and a recessed push handle for maximum mobility
