

V7 Charging Station - 12 Devices USB-C PD

CHGSTA12USBCPD-1E

SKU: CB22366

The V7 Charging Station allows you to secure, store and charge up to 12 Chromebook, laptop, or tablet devices with up to 15.6" (39.6 cm) screens with USB-C Power Delivery (PD) up to 65 Watts. It has versatile mounting options including wall mount, table top, or stack two together and add optional casters for mobility. Easy to deploy with numbered, durable device slots and well-designed power cord management. Made from high-grade 18 gauge cold rolled steel, the Charging Station also features a secure locking door with key for security.

- Versatile mounting options - wall mount, place on a table top, or stack two together with optional casters for mobility
- Efficient power distribution your USB-C PD (Power Delivery) devices up to 65 Watts from one plug
- Cable management easily organizes and routes cables to each device
- Secure locking door with keys provided
- Easily store and charge almost any chrome book, laptop, or tablet with screens up to 15.6" (39.6 cm)
