

DIGITUS Combi Wall Mounting Cabinet 254 mm (10") and 482.6 (19") mm

DN-1019
EAN 4016032462811

10" and 19" combi wall mounting cabinet 10U horizontal (10"), 5U vertical (19"), grey

With its front installed all-around profile frame, the wall mounting cabinet offers the option of horizontal installation of 254 mm (10") components (10 rack units) or alternatively a vertical installation of 482.6 mm (19") components (5 rack units). The front profile frame depth is adjustable. There are also integrated profile holes (254 mm, 10") in the back of the cabinet frame for attachment of other components. The case is made of robust steel. Cable entries in the roof, floor and back offer excellent opportunities for organized cable management. The compact size makes it ideal for all standard IT and telecommunication applications, especially if space is limited or in private households.

The DIGITUS® wall mounting cabinets are designed, developed and manufactured for the high requirements of IT infrastructure.
