

DIGITUS Ventilation Unit for variable 483 mm (19") installation

DN-19 FAN-2-HO-SW
EAN 4016032185789

Ventilation unit for 483 mm (19") installation 2 fans, thermostat, switch, black (RAL 9005)

The Roof Ventilation Units are variable mountable into 483 mm (19") cabinets. Each fan unit comes with two sets of mounting brackets. With the standard set you can install your fan unit into any height unit space of your network- or server cabinet. The second bracket set makes the fan unit possible to be mounted into the roof of 483 mm (19") network- or server cabinets of the varioFLEX series. A switch as well as an adjustable thermostat provides best options for customizations. The model is available in standard color grey (RAL 7035) and black (RAL 9005), equipped with either two or four fans.

- For installation into 483 mm (19") unit

- incl. mounting brackets for varioFLEX roof installation
