

Expand the flexibility of your infrared camera

Compatible with Fluke Infrared Cameras, this electronic viewfinder is ideal for situations when there is glare on the LCD screen, when work conditions require awkward camera angles, or as a second monitor for view by multiple people of what the camera is capturing.

Compatible with:

Fluke Ti300, Ti400, Ti450, Ti450 SF6, Ti480

Fluke TiX500, TiX520, TiX560, TiX580

Special Features

- Resolution of 800x480
- 4K and Ultra HD support via HDMI
- HDMI input and output
- Histogram
- Peaking, False Color, Pixel-to-Pixel and Clip Guides
