- Aluminum case
- Supports Windows, Linux, macOS 9 or later version

Packing content
1x IB-HUB1700-C3, 1x power adapter, 1x manual

Fit for the future!

With this hub you can use the fast USB 3.0 for seven devices with the new Type-C™ interface. The hub is buspowered so it is usable without power supply but a power supply is included, so you can use several USB devices with high power requirement. USB 3.0 has a bandwidth of up to 5 Gbit/s. That makes it up to 10 times faster than USB 2.0. USB 3.0 is downwards compatible, it fits also USB 2.0 cables and devices (with lower transfer rates).

Technical data

Model IB-HUB1700-C3
Article no. 60257
EAN code 4250078165897
Brand ICY BOX
Article text Type-C™ to 7 port USB 3.0 Hub
Color Black
Material Aluminum
Interface to PC 1x USB 3.0 Type-C™

Interface 7x USB 3.0 up to 5 Gbit/s, compatible with USB 2.0/1.1
HotSwap Yes
Plug & Play Yes
Chipset GL3520
Length of cable 40 cm
Operating system Supports Windows, Linux, macOS 9 or later version
Power connector USB powered or power adapter (DC output: 5 V / 3 A)
Operation temperature 0° - 60° C

ICY BOX **IB-HUB1700-C3** Type-C™ to 7 port USB 3.0 Hub

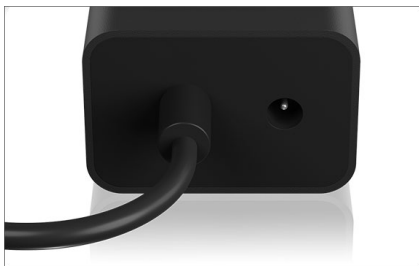

No more slots?

If you want to use your existing USB 3.0 devices on the latest mobile devices and laptops with a USB Type-C™ port this compact hub is a quick help. It uses a single USB 3.0 Type-C™ port on its own and creates seven additional Type-A ports. Problem solved!

The new standard

USB 3.0 Type-C™ ports have two distinct advantages over the existing forms. They are smaller and therefore ideal for thin laptops and mobile devices and it is no longer necessary to insert the connector in a particular orientation. It always fits and thus saves the user a lot of small annoyances when connecting devices.

Simple and chic

The IB-HUB1700-C3 is made from aluminium and thus very light even if you are on the move. Using multiple USB devices with high power requirement is no problem, just connect the power supply and you are good to go.

Logistical data

Packing unit: 20 pcs./carton
Total weight: 8.43 kg/carton
Gross weight: (with packing): 0.370 kg
Net weight: 0.082 kg
