

### Tether

00  
50

- > Wide working radius: flexible tether for user-friendly work
- > Variable fastening options: with strap made of a flat belt sewn to one end and a cord and cord stopper sewn into the other end

### Adapter straps

00  
50

- > Diverse options for fastening in combination with the carabiner and the tether
- > Permits fast, safeguarded switching from the fastener
- > On the tool bag to the tether and from one tool to another

### Carabiners

00  
50

- > With screw lock to prevent accidental opening
- > Safeguarded: catch to increase the tensile strength
- > Strong and light aluminium design weighing just 28 g

### Tethering system set

00  
50

- > Practical set includes:
- > 1 x Tether
- > 3 x Adapter strap
- > 2 x Carabiner

## Our KNIPEX Tool Tethering System

- ▶ Continuous protection possible when changing tools
- ▶ Individual configuration of the tool tethering system
- ▶ Also suitable for the KNIPEX screwdrivers

**Advice:** The KNIPEX tool tethering system is not suitable for use as personal protection equipment or for rock climbing.

### KNIPEX Tethered Tools\*

Flexible drop protection system for 45 models of KNIPEX pliers

Now also for VDE-tested pliers

T

- ▶ Falling tools can be prevented using KNIPEX Tethered Tools\*
- ▶ Tool can be flexibly safeguarded and is therefore ready to hand at all times
- ▶ Versatile applications: can be used in building construction, wind turbines, roofing, road building, the events industry, excavation work, well construction, by industrial climbers and many other uses
- ▶ 16 models of insulated pliers and 29 models of pliers with multi-component grips available with fall protection (others on request)
- ▶ Also suitable for our wide range of VDE-tested screwdrivers

## Complete range of KNIPEX Tethered Tools\*

Pliers with drop protection

\*Tethered Tools; tethered

# Overview of our pliers with drop protection mechanism

The tether attachment on the inside safeguards the ergonomics of the tool

	Item No.	Name	Quantity
<b>Pliers with integrated tether attachment for attaching a fall protection mechanism</b>			
	02 02 225 T	High Leverage Combination Pliers black atramentized; head polished	<input type="checkbox"/>
	08 22 145 T	Needle-Nose Combination Pliers black atramentized; head polished	<input type="checkbox"/>
	09 02 240 T	Lineman's Pliers American style black atramentized; head polished	<input type="checkbox"/>
	09 02 240 T	09 12 240T: with cable pulling device and universal mandrel crimp black atramentized; head polished	<input type="checkbox"/>
	13 05 160 T	Electricians' Pliers for gripping, bending, cutting wire and for crimping end sleeves (ferrules) chrome plated	<input type="checkbox"/>
	13 82 200 T	Pliers for Electrical Installation multifunctional pliers for the electrical installation black atramentized; head polished	<input type="checkbox"/>
	26 12 200 T	Snipe Nose Side Cutting Pliers (Stork Beak Pliers) high loadable, elastic precision points, flat rounded, long straight jaws black atramentized; head polished	<input type="checkbox"/>
	26 15 200 T	chrome plated	<input type="checkbox"/>

	Item No.	Name	Quantity
	26 22 200 T	Snipe Nose Side Cutting Pliers (Stork Beak Pliers) high loadable, elastic precision points, flat rounded, long bent jaws black atramentized; head polished	<input type="checkbox"/>
	26 25 200 T	chrome plated	<input type="checkbox"/>
	70 05 160 T	Diagonal Cutters Slim head for use in inaccessible work areas; with fall protection mechanism, available in compact 160 mm length and robust 180 mm length chrome plated	<input type="checkbox"/>
	70 05 180 T	chrome plated	<input type="checkbox"/>
	71 02 200 T	KNIPEX CoBolt® Compact Bolt Cutters, most efficient joint design ensures exceptional cutting performance black atramentized	<input type="checkbox"/>
	71 22 200 T	71 22 200 T: 20° angled head with joint bar on one side and side cutter for almost flush cutting black atramentized	<input type="checkbox"/>
	71 32 200 T	71 32 200 T: the recess in the blade allows easier cutting of thicker wires black atramentized	<input type="checkbox"/>
	73 05 160 T	KNIPEX X-Cut® Compact Diagonal Cutter for very tough, continuous use chrome plated	<input type="checkbox"/>
	74 02 200 T	High Leverage Diagonal Cutter high cutting performance with minimum effort available with fall protection mechanism in 200 mm and 250 mm lengths black atramentized; head polished	<input type="checkbox"/>
	74 02 250 T	black atramentized; head polished	<input type="checkbox"/>
	74 22 200 T	74 22 200 T: 12° angled head in the 200 mm length black atramentized; head polished	<input type="checkbox"/>
	74 22 250 T	74 22 250 T: 12° angled head in the 250 mm length black atramentized; head polished	<input type="checkbox"/>

	Item No.	Name	Quantity
	86 05 180 T	Pliers Wrench pliers and a wrench in a single tool, smooth jaws for damage free installation of plated fittings available with fall protection mechanism in the compact 180 mm and classic 250 mm length chrome plated	<input type="checkbox"/>
	86 05 250 T	chrome plated	<input type="checkbox"/>
	87 02 180 T	KNIPEX Cobra® Hightech Water Pump Pliers push the work for adjustment on the workpiece self-locking on pipes and nuts, available with fall protection mechanism in the compact 180 mm and classic 250 mm length for greater leverage grey atramentized; head polished	<input type="checkbox"/>
	87 02 250 T	grey atramentized; head polished	<input type="checkbox"/>
	87 02 300 T	grey atramentized; head polished	<input type="checkbox"/>
	88 02 250 T	KNIPEX Alligator®, Water Pump Pliers, self-locking on pipes and nuts, box-joint design, available with fall protection mechanism in the compact 180 mm and classic 250 mm length as well as in the 300 mm length for greater leverage black atramentized; head polished	<input type="checkbox"/>
	88 02 300 T	black atramentized; head polished	<input type="checkbox"/>
	95 12 165 T	Cable Shears, precision ground, hardened blades: clean and smooth cut without crushing and deformation burnished	<input type="checkbox"/>
	95 62 190 T	Wire Rope Cutter forged blade geometry prevents the wire rope fanning out head polished	<input type="checkbox"/>
<b>VDE tested pliers with integrated insulated tether attachment for attaching a fall protection mechanism</b>			
	03 06 180 T	Combination Pliers, with gripping zones for flat and round material chrome plated	<input type="checkbox"/>
	08 26 145 T	Needle-Nose Combination Pliers, working in confined areas thanks to slim head design chrome plated	<input type="checkbox"/>
	11 06 160 T	Insulation Stripper, for single, multiple and fine stranded conductors with plastic or rubber insulation chrome plated	<input type="checkbox"/>

	Item No.	Name	Quantity
	13 96 200 T	Pliers for Electrical Installation multifunctional pliers for the electrical installation chrome plated	<input type="checkbox"/>
	13 66 180 T	KNIPEX StriX Insulation Stripper with Cable Shears chrome plated	<input type="checkbox"/>
	25 06 160 T	Snipe Nose Side Cutting Pliers, Radio Pliers, suitable for finer gripping and cutting work, pointed, half-round jaws chrome plated	<input type="checkbox"/>
	26 16 200 T	Snipe Nose Side Cutting Pliers (Stork Beak Pliers) high loadable, elastic precision points, flat rounded, long jaws chrome plated	<input type="checkbox"/>
	26 26 200 T	26 16 200 T: straight 26 26 200 T: bent chrome plated	<input type="checkbox"/>
	70 06 160 T	Diagonal Cutter Slim head for use in inaccessible work areas; available with fall protection in a compact length of 160 mm and a robust 180 mm length chrome plated	<input type="checkbox"/>
	70 06 180 T	chrome plated	<input type="checkbox"/>
	73 06 160 T	KNIPEX X-Cut® Compact Diagonal Cutter for very tough, continuous use chrome plated	<input type="checkbox"/>
	74 06 200 T	High Leverage Diagonal Cutter high cutting performance with minimum effort, available with fall protection mechanism in lengths of 200 mm and 250 mm chrome plated	<input type="checkbox"/>
	74 06 250 T	chrome plated	<input type="checkbox"/>
	87 26 250 T	KNIPEX Cobra® VDE, Hightech Water Pump Pliers, insulated, adjustment by shifting one jaw directly on to the workpiece and nuts chrome plated	<input type="checkbox"/>
	95 16 165 T	Cable Shears, precision ground, hardened blades: clean and smooth cut without crushing and deformation chrome plated	<input type="checkbox"/>
	97 78 180 T	Crimping Pliers for end sleeves (ferrules), secure crimping in 9 marked half-round dies with tapered side surfaces pulida	<input type="checkbox"/>

	Item No.	Name	Quantity
<b>Tool protection system for tools with tether attachment: effective protection against accidents caused by falling tools</b>			
	00 50 01 T BK	1 x tether large working radius: the gathered fabric tape expands when under strain to a length of up to 1.5 m	<input type="checkbox"/>
	00 50 02 T BK	3 x adapter straps, flexible connection between tool and secure attachment point	<input type="checkbox"/>
	00 50 03 T BK	2 x carabiners, screw lock screwed tight prevents the material snap hook opening unintentionally	<input type="checkbox"/>
	00 50 04 T BK	Tethering system set, for versatile ways of attaching KNIPEX pliers to a tether attachment (1 x tether 3 x adapter straps, 2 x carabiner)	<input type="checkbox"/>

► Our tool securing system is also suitable for our wide range of VDE-tested screwdrivers

The through hole on the handle of all KNIPEX screwdrivers permits connection to our tool securing system, illustrated here by way of example on the handle of our new KNIPEX "Slim" screwdriver for PlusMinus profile screws.
