

## Speaker Wall Mount | Sonos® PLAY:1™ | Tilttable and Rotatable | Max 3 kg

### General information

This adjustable Speaker Wall Mount for Sonos® Play:1™ lets you position your speaker for the optimum sound in your room.

Strong and sturdy but discrete

Strong enough to carry a speaker with a maximum weight of 3 kg, this steel and plastic wall mount offers all the support you need.

A handy cable tidy ensures the connecting wires are all kept neatly organised.

Fully adjustable

The wall mount can rotate to a maximum angle of 60°, and tilt from 0° to -15°, to ensure the sound is directed exactly where you want it.

Easy to install

The mount couldn't be easier and quicker to install and will provide years of listening pleasure after.

### Features

- Compatible with Sonos® Play:1™
- Rotate and tilt function - to create the perfect angle
- Keyhole pattern - for an easy installation
- Cable management - to keep everything well organized
