

HDMI™ Matrix Switch | 4-to-2-port - 4x HDMI™ input | 2x HDMI™ output

General information

Connect 4 sources, such as a game console or multimedia player, to this matrix switch and to 2 screens. The matrix switch enables you to play 4 source devices on 2 screens independently.

Features

- Supports 4K2K and 3D
- Display with clear indication of active device/screen
- Including remote control for more operating convenience
- Amplifies the digital video signal
- EDID function to set a fixed resolution for all connected TVs
- Easy installation: plug and play
- Flexible solution: randomly switch between connected source devices and screens
