

## HDMI™ Cat 5 Extender | Up to 30.0 m - 1x HDMI™ input + 2x RJ45 female | 1x HDMI™ output + 2x RJ45 female

### General information

Extend the HDMI connection between your TV and a HDMI screen with up to 30 metres without signal degradation. This HDMI extender utilises 2 CAT5e/6 cables. These cable types feature great flexibility and are thinner than standard HDMI cables, which makes it easier to keep them out of sight.

### Features

- Full HD & 3D support
- Amplifies digital video signals up to 30 m
- Long-distance cover via two CAT5e/6 cables
