

COMPARTMENT STORAGE BOX PSK55000-PK2-4

- For safe combination marking of cables and pipes etc.
- 40-compartment storage box in impact-resistant plastic for convenient on-site combination marking.
- Perfect overview – allows quick marking on mounting site.
- Transparent lid for visual confirmation of contents.
- Filled with PK2 markers, holders and cable ties

INFORMATION

Design

A compartment storage box with 40 removable compartments containing PK2 markers, holders and cable ties.

PK2 is a closed, flat combination marker intended for slipping onto cable marker holders. Interlocking and precision-stamping constitute durable twist-protection, while also allowing markers to fit close together for uniform readability.

Material

PK2: Soft PVC.

Characters

PK2: The characters are hot stamped for excellent readability and long-lasting durability.

Refills

Available from the standard Partex product range

Temperature range

PK2: Shape-resistant from -30 °C to +60 °C

PK2 durability

- Flame-proof UL94-V0 @ 3 mm.
- Chemical resistance meeting Partex' testing program.
- Temperature and ageing resistance meeting Partex' testing program.

OVERVIEW

MARKER BOX CONTENTS
