

PeakTech® 3125 PROD-ID: P 3125

Power strip with 2 x 230 V safety sockets and 2 x USB charger with 2.5 A

This handy power strip provides two child-proof, shockproof sockets and two USB charging ports with a high maximum charging current. On the front side there is a holder for smartphones and tablet PCs, which, thanks to its slightly angled shape, enables outstanding usability of the device. The non-slip rubber knobs on the underside prevent slipping on the work table, with a blue LED integrated as a power indicator.

- ▶ 2 x 16 A safety sockets with child safety lock
- ▶ 2 x USB charging ports with high charging current of 2.5A
- ▶ Angled bracket for tablet PCs and smartphones
- ▶ Non-slip rubber knobs at the bottom
- ▶ Euro plug CEE 7/7 for Germany and Europe
