Tasche 5 PROD-ID: TASCHE 5

[BACK](#)
Universal carrying case 150 x 230 x 70 mm

This series of practical "fast access" carrying cases allows a safe storage for your measurement instruments and appertaining accessories.

The model of "Tasche 5" has a woven surface from sturdy textile material, a zipper and a hand strap.

Furthermore, these carrying cases are padded from the inside to ensure maximum impact and shock resistance to the measurement devices.
