

6U Rack Wall Mount Glass Door Enclosure

RMWC6UG-1E

SKU: J154586

The 6U Rack Wall Mount Enclosure from V7 is the perfect solution to install, secure and organize rack equipment in classrooms, retail locations, network closets and other locations with limited space. The glass, locking doors allow you to monitor your equipment without opening the enclosure. The side panels are easy to open for quick access to equipment, plus there are removable top and bottom cable panels for an organized workspace. Made from high-grade, cold-rolled steel, the enclosure features a 5 year warranty. Fully adjustable rails, numbered U positions and square rack holes allow for easy installation of rack equipment. Optional casters give you the option to easily move your equipment, or roll it under a desk for total flexibility. Additionally, the cabinet is fully assembled for rapid deployment.

- Fully assembled, locking cabinet with glass door so you can monitor your equipment without opening the enclosure
- Fully adjustable mounting rails and numbered U positions, with square holes for easy equipment mounting
- Optional casters can be installed for the option of rolling on the floor or under desks for versatility
- Removable top and bottom cable panels for a streamlined appearance
- High-grade, cold-rolled steel cabinet with 5 year warranty
