

## Specifications

|                       |                           |
|-----------------------|---------------------------|
| Contact Rating        | 2A @ 36VDC                |
| Electrical Life       | 50000 cycles              |
| Contact Resistance    | 50 mohms max. (initial)   |
| Insulation Resistance | 1000 Mohms min. @ 500VDC  |
| Dielectric Strength   | 2000V RMS 50~60Hz         |
| Operating Temperature | -20°C ~ +55°C             |
| Switching Circuit     | OFF-MOM                   |
| IP Class              | IP65                      |
| Torque                | 0.6Nm max. applied to nut |
| Operating Force       | 3~5N max.                 |
| LED Colour            | Red                       |
| LED Voltage           | 24V                       |

## Materials

|                  |                              |
|------------------|------------------------------|
| Bushing & Button | Stainless steel with varnish |
| Contact          | Silver alloy                 |
| Nut              | Nickel plated brass          |
| Base             | PBT                          |

## Art. Nr.

**RND 210-00561**
