

RJ45 Plug 8P8C with Shell

Features

- The plug terminates easily to a stranded cable to make data cable assemblies for ethernet connectivity
- Gold plated contacts
- RoHS Compliant

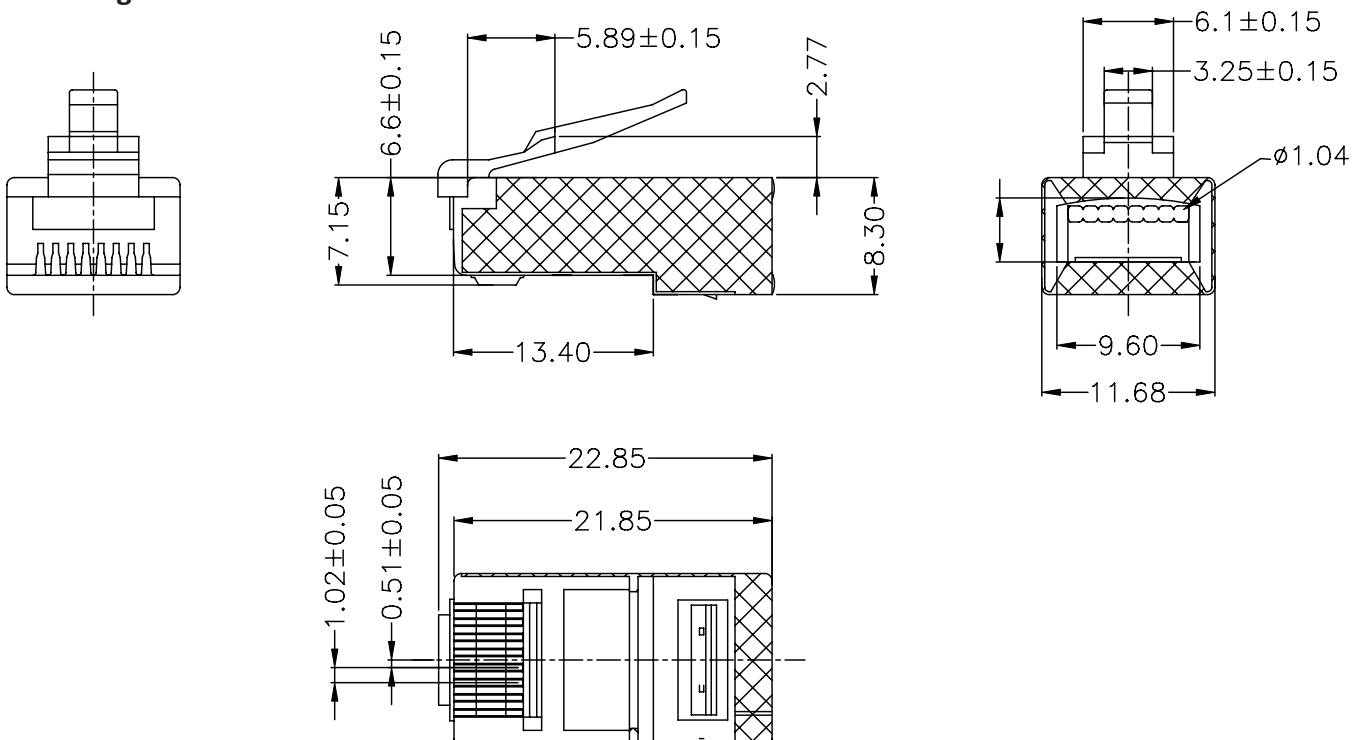

Specification

RJ Connector Type	RJ45
Gender	Plug
Positions	8
Contacts	8
LAN Category	CAT5e
Orientation	Straight
Termination Type	Assembled with Wires
Operating Temperature	-25 ... 85 °C
Screening	Shielded
Cable Diameter	1.02 ± 0.02 mm

Material Specification

Housing Material	PC
Plating	Gold
Terminal Material	Copper Alloy
Shell	Copper Alloy
