LabelWriter™ 450 Series

LabelWriter™ Software

DYMO Label™ v.8 Software for PC and Mac®

Get great labelling results with a lot less work

Included with every LabelWriter™ 450 label printer, DYMO Label™ v.8 software simplifies every labelling job – whether you print one label or hundreds.

- DYMO Label™ v.8 software: Create and print your favourite layouts from your PC or Mac®
- Multi-application: Create labels directly from Microsoft® Word, Outlook®, Excel® and CardScan®, without retyping your text
- Built-in address book: Print labels straight from your contact list or from your Outlook® or Mac® Address Book
- QuickPrint widget: Print a single label quickly and easily
- Choose from more than 100 pre-designed, customisable label templates
- Add logos, graphics, shapes and more to your labels

System requirements for all LabelWriter™ label printers

PC: Windows® XP, Windows Vista®, or Windows® 7

Mac®: OS® 10.4 or later

USB port, 50MB of hard disk space, and CD-ROM drive

Print your Postage Online (available in UK only)

- Print your stamps online with your DYMO® LabelWriter™ without leaving your desk
