

Nozzles - Disposable

voltera.io/store/consumables/nozzles-disposable

- Nozzles - Disposable

These disposable plastic nozzles were designed from the ground up to minimize ink volume, maximize flow and make priming your dispensers a piece of cake.

They won't deliver the same resolution as the metal tips, but if you find your nozzles keep breaking or clogging you can give these a try!

- Qty: 25 pcs
- Material: Polypropylene
- Color: Clear
- Outer Diameter: 0.42 mm (0.016 in)
- Inner Diameter: 0.23 mm (0.009 in)
