FEATURE FRONT PANELS

Available in addition to the range of standard 19" front panels, these are unique to the DIPLOMAT case. Manufactured in 3mm etched and anodised aluminium with a high quality surface finish they provide a clean and very attractive frontal appearance. They may be used both on the front and rear of the case and are fitted into the bezel in place of the trims, and in front of the 19" fixing facilities.

FRONT BEZEL TRIMS

These provide an attractive finish to the DIPLOMAT cases when the equipment has been installed. They are available in two versions; two-part highlighted and two-part plain.

The highlighted versions are mounted from the front of the unit for easy access and supplied with the standard highlight colour (Pantone green).

The plain version is mounted from the rear of the bezel, providing a clean fronted appearance and offering additional security.
