

F7900 ShoBlo miniOTO blade fuse series

- Complies with SAE J2077 and general standards
- The build-in miniature lamp (Bulb or LED) lights-up after the fusing element has interrupted (show-blow)
- Element visibility from sides, transparent fuse bodies
- Blade rigidity through robust/sturdy body construction
- Safe and highly reliable/consistent operation with a single piece construction
- Self extinguishing transparent, color coded temperature resistive body materials

NOTE: F7900B (Bulb) series are being replaced eventually with F7900 (LED) series.
