

Screwdrivers

SD-72 Series **NEW**

Go Through Screwdriver

Features:

- Blade made from Chrome Vanadium Steel, hardened and tempered, with hex shaft increases leverage and extra torque.
- "Go-Through" construction provides greater striking force than traditional cap end
- The hex shaft and bolster fit any brand of wrench which can loose the tight screws easily.
- Ergonomic cushion grip with duplex color design provides comfort and easy operation, non-slip.
- Black oxide magnetic for greater fastener control and guarantees a perfect fit every time
- Good for using in carpentry, mechanical, electronic, automobile industries

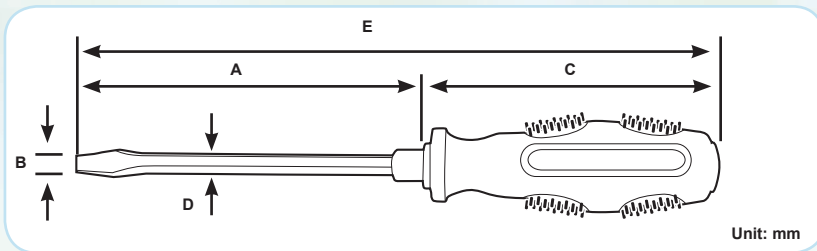

**Toughest
Ergonomic
More turning power**

The steel cap withstand single hammer blow
