The HP Q2344A Black 1918 Dye Ink Cartridge provides excellent decap times (longer decap times so the cartridge does not dry out as fast as other inks) for intermittent printing, print speed and dry time on a wide variety of substrates. Fast drying dye based ink designed to print on certain coated and uncoated paper stocks without smearing or off-setting.

The Q2344A is compatible with all addressing systems that use HP 45A Technology from manufacturers such as Secap, Rena, Pitney Bowes, Neopost, Hasler, Accufast and more. This cartridge is not recycled, re-filled or re-manufactured, it is a **New Genuine OEM Product from HP**.
