

Innergie

PocketCell™ Plus

6,000 mAh Duo USB
Rechargeable Battery Bank

A Double-Shot of Power.

When you travel, you rely on your smartphone and your tablet for so much, including maps, hotel reservations, and train schedules. With PocketCell Plus in your bag, you'll have all the power you need to keep all your portable devices fully charged, wherever you may be.

Immensely Powerful, Incredibly Compact

The Innergie PocketCell™ Plus is an ultra-compact rechargeable battery bank, featuring an impressive 6,000mAh capacity and duo USB power-ports that allows you to charge two tablet-PCs or smartphones at the same time

Smart Charge

The Smart Charge feature intelligently detects the type of device the PocketCell™ Plus is connected to, and delivers the right amount of power to charge your device quickly and safely every time.

Extend Power for*:

iPhone**	=	47+	Hrs (Talk time)
iPod**	=	135+	Hrs (Audio playback)
iPad**	=	6+	Hrs (Using time)
Smart Phone	=	27+	Hrs (Talk time)
Tablet	=	27+	Hrs (Talk time)
MP3 player	=	198	Hrs (Audio playback)

*Actual duration may vary based on signal strength and usage
**Need to use Apple's USB cable. Apple USB cable is not included.

InnerShield™ PROTECTION

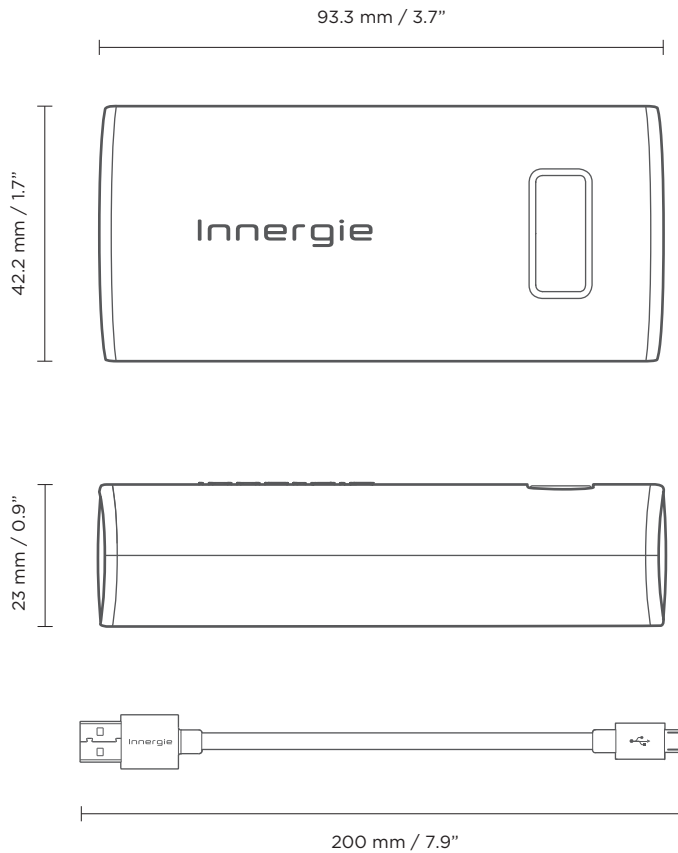

A good adapter provides your devices with power. An excellent adapter does so while protecting them. With Innergie's InnerShield Protection Technology, all of your devices are protected from over-current, over-charging, over-voltage, over-temperature, and short-circuiting, giving you stable power and peace of mind.

GreenSense™

Smart technology that helps save the planet—our GreenSense™ technology just makes sense. That's why we incorporate it in our adapters to make them more energy-efficient. Because saving energy helps save our planet, and our GreenSense™ technology helps keep our world green.
