90W Universal Laptop Adapter.

## Use Today, Use Tomorrow.

Thinking about getting a new notebook, but wondering if it will work with your Innergie adapter? Wonder no more. The PowerGear 90 adapter works not only with the notebook you have today, but the one you'll have tomorrow.

### Compatible with all popular laptops

Compatible with 18-21 volts laptop with wattage requirement up to 90 watts.

### Stylish and Classic Design

Available in white, PowerGear 90 catches your eye with its fashion surface design.

### 3-year Limited Warranty

Industrial leading 3-year limited warranty.

### 9 Tips Included & Free Tip Program

9 Laptop Tips to match with your laptops. If none of the standard tips fit your laptop, simply inform us via e-mail and we will arrange for a FREE compatible tip to be sent to you.

### InnerShield<sup>™</sup> PROTECTION

A good adapter provides your devices with power. An excellent adapter does so while protecting them. With Innergie's InnerShield Protection Technology, all of your devices are protected from over-current, over-charging, over-voltage, over-temperature, and short-circuiting, giving you stable power and peace of mind.

### GreenSense<sup>™</sup>

Smart technology that helps save the planet—our GreenSense<sup>™</sup> technology just makes sense. That's why we incorporate it in our adapters to make them more energy-efficient. Because saving energy helps save our planet, and our GreenSense<sup>™</sup> technology helps keep our world green.
