

mCube Slim 95

# Compact 95W Universal Adapter

for laptop, netbook, tablet PC,  
and portable device

## Powerful and Ultra Compact

Provides 95W of powerful power output in an ultra-compact form factor. Its compact size and powerful charging functions allow you to charge laptop and portable devices at the same time, providing greater convenience and time efficiencies.

## 10W USB for iPad and more

With a 10W USB power port, the mCube Slim 95 supports iPad and all other standard USB devices with its high power efficiency.

## In-Flight Safe

RTCA aviation certified guarantees safe usage on airplanes.

## Energy Saving

With extremely high power efficiency, you can reduce your energy costs and reduce CO<sup>2</sup> emissions.

## Multi-Built-in Protection

Built-in protection against unstable voltage means you can use Innergie with confidence everywhere you go.

## Great Compatibility

95W output power charges most popular brands of laptops between 18-21 volts, including Acer, Asus, Compaq, Dell, Fujitsu, Gateway, HP, IBM, Lenovo, MSI, Samsung, Sony, Toshiba, and more.

## Free Tip Program

9 Laptop Tips are included with your mCube Slim 95 to match your laptops. If none of the standard tips fit your laptop, simply inform us via email and we will arrange for a FREE compatible tip to be sent to you.\*

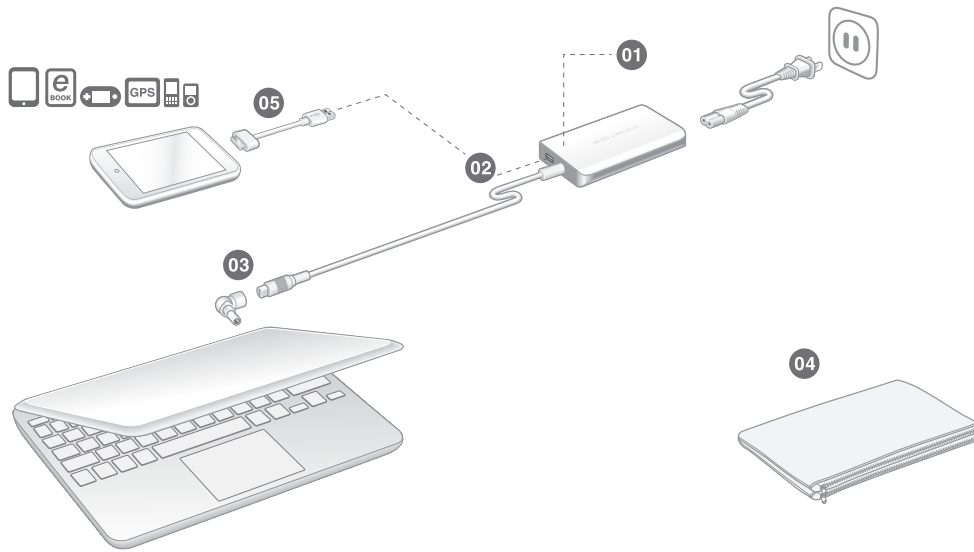

The mCube Slim 95 provides a powerful and safe power solution in an ultra-compact design. Its high power efficiency lets you charge your laptop and a 10W USB device simultaneously at home, in your office, or anywhere life takes you.
