

Innergie

PowerJoy Go Plus

10W Dual USB Car Adapter

Share the Power. Share the Fun.

When you hit the road, keep your portable devices powered and your kids smiling with Innergie PowerJoy Go Plus. Your kids can battle each other on their PSPs in the backseat, keeping everyone happy on your next family road trip.

Dual USB Ports for iPad, iPhone & iPod

With dual USB ports and 2.1A high power output, the PowerJoy Go Plus gives you the capability of charging all your USB-powered devices with high power efficiency.

Incredible Compact and Lightweight

Its slim profile minimizes obstruction to other wall sockets, and its lightweight construction makes it the perfect traveling partner.

Green Energy

Help save the planet! With extremely high power efficiency, you can reduce your energy costs and reduce your carbon footprint.

Great Compatibility

Charge thousands of most popular portable devices like iPad, iPod, iPhone, Blackberry, mobile phone, mp3 player, Bluetooth headset, game console, GPS, E-book, tablet PC, and more.

InnerShield[™] PROTECTION

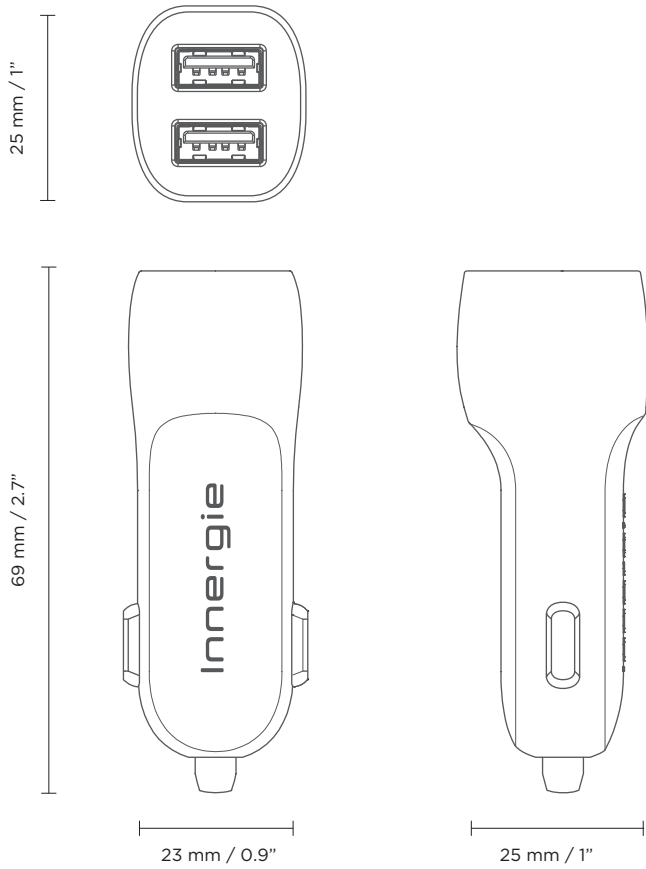

A good adapter provides your devices with power. An excellent adapter does so while protecting them. With Innergie's InnerShield[™] Protection Technology, all of your devices are protected from over-current, over-charging, over-voltage, over-temperature, and short-circuiting, giving you stable power and peace of mind.

GreenSense[™]

Smart technology that helps save the planet—our GreenSense[™] technology just makes sense. That's why we incorporate it in our adapters to make them more energy-efficient. Because saving energy helps save our planet, and our GreenSense[™] technology helps keep our world green.
