PocketCell™ Duo

Immensely Powerful, Incredibly Compact

The Innergie PocketCell™ Duo is an ultra-compact rechargeable battery bank, featuring an impressive 6,800mAh capacity and duo USB power-ports that allows you to charge two tablet-PCs or smartphones at the same time

Unparalleled Versatility with 3-in-1 Magic Cable Trio

Two built-in USB power ports combined with the critically acclaimed Magic Cable Trio—featuring an Apple-compliant tip, a micro and mini-USB tip—enable you to charge up to 10,000 USB-chargeable devices anytime, anywhere!

Smart Charge

The Smart Charge feature intelligently detects the type of device the PocketCell™ Duo is connected to, and delivers the right amount of power to charge your device quickly and safely every time.

Multiple Built-in Protection Features

The Innergie PocketCell™ Duo is equipped with a suite of protection features, including Short-Circuit Protection (SCP), Over-Current Protection (OCP), Over-Temperature Protection (OTP), Over-Voltage Protection (OVP) and Over-Power Protection (OPP). These features provide you with ease-of-mind while charging your devices wherever life takes you.
