

## Features

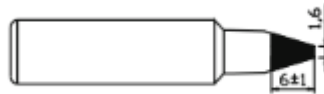

- Special tip made for RND 560-00216
- Fast thermal conductivity
- Molten tin smoothly
- Long life span
- Antioxidant
- Save consumable cost

## Specification

Power Rating	150 W
Tip Width	1.6 mm
Soldering Temperature Max.	480 °C
Soldering Tip Shape	Chisel

## Drawing

Art. Nr.  
RND 560-00240
