

Trend Krone modularuttag 2x6p pv

Partnumber: 510200500

Wholesalernumber: 5102005

EAN 13 code:

Trend - 2 telephone socket - RJ12 - Krone terminals - polar white

Technical information

► **Functional**

socket number 2

► **Connections**

connections - terminals Krone terminals

► **Installation**

device mounting flush

► **Product identification**

range of product Trend

product or component type telephone socket

device presentation complete product

telephone socket type RJ12

colour tint polar white NCS S 0502-Y

provided equipment Krone mounting tool

► **Additional information**

quantity per set set of 10

► **Physical characteristics**

material thermoplastic

height 82 mm mm

width 82 mm mm

► **Environment**

IP degree of protection IP20
