Cable management duct, horizontal 482.6 mm (19") – DK 7158.100

created: 19.10.2019 on www.rittal.com/com-en

Product description

Description: The duct facilitates concealed, simple cable routing of large quantities of cables to equipment within the 482.6 mm (19") attachment level. Large cut-outs ensure convenient, kink-free cable routing to the components top and bottom. For simple handling, the entire front panel may be removed via quick-release fasteners. After attaching the cables, these are held in position via nylon loop tapes, whilst the duct may be resealed.

Material: Sheet steel

Surface finish: Spray-finished

Colour: RAL 7035

Supply includes: 5 nylon loops

Product features

Dimensions: Width: 19"

Units: 2 U

Packs of: 1 pc(s).

Weight/pack: 1.76 kg

Copper weight (kg per piece): 0

EAN: 4028177500334

Customs tariff number: 94039010
