Quality Tools for Smart Cleaning™

NIFTYNABBER® BAGGER & GRABBER TOOLS

The new NiftyNabber® Bagger is a practical waste carrier for indoor and outdoor cleaning. It carries a heavy duty trash bag and is easy to maneuver. Features include a solid plastic bottom and two carry loops making it easy to slide along the ground as you work. It fits a standard 50 gallon bag. Avoids lifting or damaging heavy bags. Expertly designed to work in combination with Unger Professional Grabbing tools NiftyNabber® and PeoplesPaperPickerPin.

Unger tools are made from the finest materials to ensure quality and extended use.

All tools are designed to enhance product performance and increase worker safety.

✓ Robust

- Durable plastic bottom. Can be pulled over any surface (asphalt/cement/gravel/grass).
- Internal steel spring makes the bagger sturdy and rigid.
- Made from tough oxford cloth that protects workers from sharp objects inside.

✓ Ergonomic

- Long handles allow the bagger to be easily pulled.
- Eliminates the need for bending and lifting versus plastic bags.

✓ Compact

- Bagger collapses making it easy to store.
- Tie-loops hold the bagger in a closed position.

Quality Tools for Smart Cleaning™

NIFTYNABBER® BAGGER & GRABBER TOOLS

Multiple Advantages Over Plastic Barrels

- Bagger collapses and locks:
 - Great for compact shipping.
 - Easy to store compared to larger trash cans.
- Excellent recycling tool for sports stadiums, golf courses, the beach, picnics, as well as the office environment.
- Bottom drainage holes make rinsing out easy.
- Use outdoor/indoor without liners for a lower cost with less waste.
- Uses standard 55 gal. trash bags.
- Save on transport costs over plastic trash barrels.

Collapses and locks for easy storage and shipping.

Use with a standard 55 gallon trash bag.

Rugged plastic bottom allows the bagger to be dragged over rough surfaces.

Built-in handle makes emptying the bagger easy.
