PROMARK-PA	plate attachment
PROMARK-HC	aluminium case for printer PROMARK T-1000
PROMARK-AF	profile feeder
PROMARK-TW	profile warmer
MK-STV	reel stand
MK-RS3	small reel stand

Low temperature can make the print unclear. Profile heater ensures right print even in a low temperature.

Profile feeder

Aluminium case

It ensures strong unreeling from big reel stand.

Protects the printer from damage. You can print markers without taking the printer out of the case.
