

CR80

SILVA CR80 is a lightweight, versatile, all-round headlamp designed for all types of outdoor activities. It is equally convenient when camping as it is when mountain hiking, on fishing trips, or when kayaking or climbing. With SILVA Intelligent Light®, you always have a wide beam pattern nearest your feet at the same time as you can see where you are going. The light's output is 80 Lumens.

CR80 is water resistant and designed for Nordic conditions with changing weather conditions. SILVA's large on/off button is easy to operate even when wearing gloves.

FEATURES

- SILVA Intelligent Light®
- Water resistant (IPX6)
- Wide anti-slip headband
- 3 light modes
- Powered by 3 x AAA batteries
- Burn time TBC
- Large on/off button

ADVANTAGES

- A light ahead of you and also flow of light at your feet
- Withstands rain, snow and mud
- Stays comfortably on your head
- Provides flexibility in any user situation
- The batteries are easy to change when they run out
- Very good battery life
- Shows if you need to change batteries
