Versatile and bright, the Energizer® LED Clip-On Headlight offers hands free operation. Whether you clip it to a hat brim, attach it to your clothing or wear it around your head with the included elastic strap, it provides plenty of light for finding the trail, pitching a tent or increasing your visibility when jogging. The bright white LED is virtually unbreakable and the light survives an ANSI FL1 Standard 1-metre drop test.

Before Using Your Flashlight:
Please read all instructions and cautionary markings on the package and light

VERSATILE

- Spring clip attaches to hat brim or clothing
