

## **75-11290000-0200.G012.TM**

Screw in resistance thermometer  
Connection head: type B  
1xPt100 2-wire  
Accuracy: Class B  
Process connection: thread G1/2"  
Protection tube: Ø 9 mm, 1.4571  
Temperature range: -20... +180°C  
Installation length: 200mm  
In the connection head built in temperature transmitter  
4...20mA  
Range: 0...+100°C
